

## **2025 Wisconsin Foot & Ankle Conference**

### **Faculty Biographies & Disclosures**

#### **Bradley Abicht, DPM**

Disclosures: Enovis (Consultant-Self), ConMed (Consultant-Self), Acera Surgical (Consultant-Self), Invibio (Consultant-Self), Surgical Fusion Technologies (Consultant-Self), BareBonesOrtho (Stock Shareholder-Self), Gundersen Health System (Employee-Self), IerEXPO (Medical Director-Self), FASTRAC/Podiatry Today (Editorial Board Member-Self)

Dr. Abicht is a board-certified foot and ankle surgeon practicing for over a decade at Emplify Health System by Gundersen in La Crosse, WI. He is a fellow of the American College of Foot and Ankle Surgeons and currently serves as department chair for the Podiatric Medicine and Surgery Department at Gundersen Health System. Dr. Abicht is actively involved in medical education, medical leadership, as well as research with regular publications in peer-reviewed journals and textbooks. Additionally, he is the Medical Director for Lower Extremity Review EXPO and serves on the editorial board for multiple journals. Dr. Abicht is a leading surgeon innovator within the foot and ankle space, with particular interests in percutaneous and MIS techniques as well as emerging technologies that advance patient care. Outside of his professional activities, he enjoys spending as much time as he can with his wife and two sons.

#### **Jared Bacardi, DPM**

Disclosures: None

Dr. Jared Bacardi is a 1st year foot and ankle surgery resident at Ascension Wisconsin. In 2024 he obtained his podiatric medical degree from Des Moines University, graduating with honors. Originally from the Chicagoland area, Dr Bacardi attended Truman State University in Missouri, where he earned degrees in human biology, psychology, and jazz trumpet. He currently lives in Milwaukee, WI with his wife.

#### **Kimberly Bobbitt, DPM**

Disclosures: None

Dr. Bobbitt serves as the Residency Director at Hennepin Healthcare in Minneapolis, MN. She is the President of the Minnesota Board of Podiatric Medicine and volunteers with several organizations in our field including the College of Teaching Hospital Representative on the Residency Review Committee, Site Reviewer for the College of Podiatric Medicine, Case Reviewer for the American Board of Foot and Ankle Surgery, Journal of Foot and Ankle peer reviewer and member of the ACFAS Post-Graduate Affairs Committee. Dr. Bobbitt earned her Doctor of Podiatric Medicine degree from Des Moines University and completed her surgical training at Inova Fairfax Hospital.

#### **Nicole Brouette, DPM**

Disclosures: Paragon28 (Consultant-Self)

Dr. Nicole Brouette, FACFAS, a native of Windsor, Ontario, Canada, currently practices in Detroit, Michigan. She is passionate about mentoring and supporting residents and students in their professional growth. Dr. Brouette began her career as core teaching faculty at two

prominent hospital systems in Detroit and has since advanced to the position of Associate Program Director for the Henry Ford Health Podiatric Surgery Residency Program. At her academic institution, she provides care to both inpatient and outpatient populations, with a focus on trauma management, elective reconstructive surgery, and sports medicine. Beyond her clinical and teaching roles, Dr. Brouette is an active leader in her field, serving as Vice President of the Great Lakes Region for ACFAS, as well as a member of the Education and Scientific Affairs ACFAS Committee and faculty for AO North America. She frequently presents at national and international conferences and has chaired numerous women's surgical symposiums.

**Brian Burgess, DPM**

Disclosures: Enovis (Consultant-Self), Arthrex (Grant/Research Support-Self), Paragon28 (Grant/Research Support-Self)

Dr. Burgess comes to us from the southwest suburbs of Chicago where he is fellowship director of the Hinsdale orthopedics foot and ankle fellowship. Hinsdale orthopedics is a division of the Illinois bone and joint institute.

**Danielle Butto, DPM**

Disclosures: None

Dr Butto currently practices in the Department of Orthopedics at University Hospitals in Cleveland Ohio. In addition to her surgical and clinical teaching roles, she is also a certified professional biller and coder. She has taught billing and coding to podiatric physicians for the past 6 years

**Rebecca Cathey, DPM**

Disclosures: None

Dr. Rebecca Cathey is a first-year foot and ankle surgery resident at Ascension Wisconsin in Milwaukee, WI. She graduated from Kent State University College of Podiatric Medicine in 2024. She received her master's degree in Cardiovascular and Metabolic Diseases from the University of Central Florida and her bachelor's degree in Biochemistry from the University of Florida. Dr. Cathey is from Niceville, FL, and currently resides in Milwaukee, WI.

**Patrick A. DeHeer, DPM**

Disclosures: Paragon28 (Consultant-Self, Speaker's Bureau-Self), Medline (Consultant-Self, Speaker's Bureau-Self), IQ Med (Stock Shareholder-Self), DeHeer Orthopedics (Stock Shareholder-Self), SUTUREGARD (Stock Shareholder-Self), Wishbone Orthopedics (Stock Shareholder-Self), Upperline Health (Stock Shareholder-Self, Employee-Self)

Patrick A. DeHeer, DPM, is a member of the American Podiatric Medical Association (APMA) and a fellow of the American Society of Podiatric Surgeons (ASPS), American College of Foot and Ankle Pediatrics, and American College of Foot and Ankle Surgeons (ACFAS), Royal College of Physicians and Surgeons of Glasgow Fellowship of Faculty of Podiatric Medicine (Glasg); Diplomate of American Board of Foot & Ankle Surgery certified in foot surgery and reconstructive foot and ankle surgery. He practices in Central Indiana as part of the national supergroup Upperline Health. Dr. DeHeer serves as the residency director of the podiatric

surgical residency program at Ascension St. Vincent Hospital in Indianapolis. In addition, he served as the team podiatrist for the Indiana Pacers for thirty years, from 1992 to 2022. Dr. DeHeer is a member of the Editorial Board of Podiatry Today, a regular blogger for Podiatry Today, a Guest Editor for Clinics in Podiatric Medicine and Surgery Pediatric Edition 2013, and Guest Editor for Foot and Ankle Quarterly Clubfoot Edition 2014. Dr. DeHeer has published numerous peer-reviewed journal articles and textbook chapters and is an international and national lecturer. He is the inventor of The Equinus Brace™ and a partner in IQ Med. He is the President and Founder of Step-By-Step Haiti and Foot Aid. Dr. DeHeer's passion for teaching and providing lower extremity healthcare in developing countries culminated in recognition by the 2014 International Federation of Podiatrists Humanitarian Award and the 2011 APMA Humanitarian of the Year Award. Dr. DeHeer serves as a Treasurer on the APMA Board of Trustees, currently in his tenth year on the Board. Dr. DeHeer is the past President of the Indiana Podiatric Medical Association and continuing education chairperson.

### **G. "Dock" Dockery, DPM**

Dr. G. "Dock" Dockery graduated as valedictorian of his class with top honors from the Ohio College of Podiatric Medicine in Cleveland, Ohio. He did a surgical residency in foot and ankle surgery at the Waldo Podiatric Surgical Residency Program in Seattle and graduated with honors. He is the founder of the International Foot & Ankle Foundation for Education and Research, and is currently the Chairman of the Board of Directors and Director of Scientific Affairs of this organization.

Dr. Dockery is a Fellow and Past Board of Directors of the American College of Foot & Ankle Surgeons. He is also a Fellow of the American College of Foot & Ankle Pediatrics, the American Society of Foot & Ankle Dermatology and the American College of Podiatric Medicine. He is Board Certified in Foot and Ankle Surgery by the American Board of Foot & Ankle Surgery and is Board Certified in Podiatric Medicine.

Dr. Dockery was the Director of Medical Education and Residency Training of the Waldo Podiatric Surgical Residency Program for many years and still maintains a close relationship with the current Swedish Podiatric Surgical Residency, Providence Hospital Campus, in Seattle. He has authored several textbooks including: Color Atlas and Text of Forefoot Surgery (Mosby 1992); Cutaneous Disorders of the Lower Extremity (WB Saunders 1997); Color Atlas of Foot & Ankle Dermatology (Lippincott 1999); Lower Extremity Soft Tissue & Cutaneous Plastic Surgery (Elsevier 2006) and, Lower Extremity Soft Tissue & Cutaneous Plastic Surgery, Second Edition, (Elsevier 2012). He has also authored numerous scientific articles in peer-reviewed medical journals and other publications.

Dr. Dockery is the team leader for the Seattle Medical Team, composed of two surgeons and two residents, for the Yucatan Crippled Children's Project, which goes to the Yucatan twice a year to work with the surgeons and staff from the Barry University School of Podiatric Medicine and the Orthopedic Red Cross Hospital in Merida, Yucatan, Mexico.

Dr. Dockery is a nationally and internationally known lecturer and continues to travel extensively throughout the world more than 20 times per year to scientific seminars to present his diagnostic and surgical techniques, teach plastic surgery techniques in workshops and to speak on medical topics regarding the lower extremities.

**Natalie Domek, DPM**

Disclosures: None

Dr Natalie Domek is a triple board-certified podiatric physician with ABFAS, ABPM and ACWM. She owns two Podiatric offices in Northwest Illinois. She sits on the Board of Trustees for the American Association of Podiatric Practice Management. Dr Domek is passionate about specializing in and lecturing on both Wound Management and Practice Management.

**Cara Fontanta, DPM**

Disclosures: None

Dr. Cara Fontana is a second year foot and ankle surgery resident at Katherine Shaw Bethea Hospital in Dixon, IL. She graduated from William M. Scholl College of Podiatric Medicine and Surgery in 2023 and received her bachelor's degree in psychology from Loyola University Chicago. Dr. Fontana is from Grayslake, IL and currently lives in Dixon, IL.

**Colin Graney, DPM**

Disclosures: Imbed Bioscience (Consultant-Self), Relja Innovations (Stock Shareholder-Self)

Dr. Graney is a board certified fellowship trained foot and ankle surgeon from the Madison area.

**Mark Hofbauer, DPM**

Disclosures: Stryker (Consultant-Self), TriMed (Consultant-Self), Enovis (Consultant-Self)

Dr. Mark Hofbauer has been practicing as a Foot & Ankle Specialist for more than 23 years. Dr. Hofbauer has a BS in Biology from Washington and Jefferson College, and received his Doctorate from the Ohio College of Podiatric Medicine in 1989. Upon completion of a three-year surgical residency at the Podiatry Hospital of Pittsburgh, Dr. Hofbauer completed an Internal Fixation Trauma Fellowship at The Free University of Berlin, Germany, as well as in the Regional Hospital in Interlaken, Switzerland.

Board Certified in Foot, Rearfoot and Ankle Reconstructive Surgery by the American Board of Foot and Ankle Surgery, Dr. Hofbauer is also a fellow of The American College of Foot and Ankle Surgeons, and a member of the American Podiatric Medical Association. He serves as the Fellowship Director of the Mon Valley Foot and Ankle Reconstructive Surgery Fellowship Program, as well as Faculty of the West Penn Foot and Ankle Surgical Residency Program.

Dr. Hofbauer is on staff at Monongahela Valley Hospital, Uniontown Hospital, St. Clair Hospital, Washington Hospital, Jefferson Regional Hospital, Canonsburg Hospital and Advanced Surgical Hospital.

**Dennis Janisse, C.Ped.**

Disclosures: None

Dennis Janisse is President and CEO of National Pedorthic Services, Inc. In addition to his duties at NPS, Mr. Janisse is a Clinical Assistant Professor in Department of Physical Medicine and Rehabilitation at the Medical College of Wisconsin. He teaches pedorthics courses at

Northwestern University Medical School, Century College and the Medical College of Wisconsin. He is past President of the Pedorthic Footwear Association and an honorary member of the American Orthopedic Foot and Ankle Society. He has written extensively on all aspects of Pedorthics, with over 80 publications to his credit and has lectured throughout the United States and the world

**Marie Keplinger, DPM**

Disclosures: Paragon28 (Consultant-Self)

Marie Keplinger, DPM, specializes in successfully treating foot and ankle conditions created by sports injuries, trauma, degenerative diseases and complex deformity. Orthopaedic fellowship-trained, Dr. Keplinger's expertise includes reconstructive foot and ankle procedures, tendon repair, arthroscopy, as well as total ankle replacements.

**Margaret Kimsey, DPM**

Disclosures: None

Dr. Margaret Kimsey is a first year foot and ankle surgery resident at Ascension SE Wisconsin in Milwaukee, WI. She graduated from Rosalind Franklin University, Scholl College of Podiatric Medicine in 2024 and received her bachelor's degree in chemistry with a premedical focus from Bradley University. Dr Kimsey is originally from Topeka, Kansas and now resides in Milwaukee, Wisconsin while she completes her residency training.

**Megan Kingston, DPM**

Disclosures: None

Megan Kingston is a current third year resident at Ascension Wisconsin in Milwaukee, WI. She is a Nebraska native who attended South Dakota State University for undergraduate studies and Des Moines University for Podiatric medical school.

**Brian Loder, DPM**

Disclosures: Enovis (Consultant-Self, Royalties-Self), Treace (Consultant-Self, Royalties-Self)

Dr. Brian Loder is Podiatrist in Clinton Township Michigan. He is Board Certified in foot and reconstructive rearfoot and ankle surgery. Dr. Loder moved from Long Island New York to Harrison Township Michigan to complete his surgical residency program. Dr. Loder was the first resident to advance to the inaugural third year of the program. He remained on staff at his alma mater for 10 years as one of the leading faculty members in the residency program. Dr. Loder's commitment to education earned him the role as Podiatric residency director of one of the neighboring hospitals, where Dr Loder formed a new Podiatric Medicine and Surgical program. Currently the program is in its 18<sup>th</sup> year of graduating residents and Dr Loder still holds the residency director position.

Dr. Loder has always played an important role as a Physician leader at Henry Ford Macomb hospital in Clinton Twp. At first, he held an elected position on the credentials committee and then was also added to the quality committee. In 2012 Dr. Loder's leadership qualities earned him a nomination as Chief of Staff at Henry Ford Macomb Hospital. Dr. Loder won the

nomination in a landslide and went on to serve four more years as chief of staff before he stepped down.

Dr Loder is a researcher and an innovator. He spends much of his time evaluating and improving the current surgical trends and has been a leader in the evolving Minimal incision surgical space. He has authored multiple papers and continues to produce new research. Dr. Loder has lectured extensively in the United States and abroad and was named a co-chair of the GFAS (Global Foot and Ankle Symposium) held in Annecy France, March 2023.

Recently Dr. Loder was granted conditional status by the American College of Foot and Ankle Surgery for his Fellowship in Minimally Invasive and reconstructive Foot and ankle surgery. Dr. Loder first Fellow will begin in August of 2024. Dr. Loder is extremely proud of his dedication to podiatric education and feels that it is important for us all to make a difference in our profession and leave a legacy when we are done.

### **Natalie Magda, DPM**

Disclosures: None

Dr. Natalie Magda is a first-year foot and ankle surgery resident at OSF St. Katharine Medical Center in Dixon, IL. She graduated from Rosalind Franklin University, Dr. William M. Scholl College of Podiatric Medicine and Surgery in 2024 and received her bachelor's degree in Public Health from Wayne State University in Detroit, Michigan.
